1. **Project developing**

In this work we will expose cooperating presentation about project. We expose our innovation, mission and vision using English language.

2. **Mission and vision of CEITAROX**

3.1 Mission:

The mission of our company is to create a tool that is intuitive, easy to use, and accessible, fostering acceptance among our stakeholders. At the same time, it aims to allow users unfamiliar with the game to learn its rules through our interface, thereby attracting additional end users to our service. Furthermore, through our application, we seek to introduce ourselves as a company, inviting consumers with professional experience in our field to join our team, thus promoting the growth of both the business and the organization.

3.2 Vision:

Our vision is being a youth reference, demonstrating that all is possible with passion, study, creativity, imagination and discipline.
